

FIORELLINA

FIORELLINA

DESIGN:
FABRIZIO BATONI

—
ONE-PIECE INJECTION-MOULDED
CHAIR MADE OF FIBERGLASS
REINFORCED POLYPROPYLENE.
STACKABLE AND AVAILABLE IN A
NUMBER OF FINISHES.

FIORELLINA

Lightweight and practical, this range is characterised by considerable manufacturing complexity. In fact, at the base there is a technology that makes it possible to obtain four different versions of the product from one mould: with solid or perforated backrest, both with or without arms.

—
THE IDEAL CHAIR FOR CONTRACT USE,
AS WELL AS FOR OUTDOOR AREAS
AND OPEN-AIR SETTINGS. WITH ITS
PARTICULAR LOOK, FIORELLINA IS PER-
FECT ALSO FOR RESIDENTIAL SPACES.
